<p>Note on ACTFL assessments (Listening Proficiency Test, Oral Proficiency Interview, Writing Proficiency Test, Reading Proficiency Test) Since the Illinois State Seal of Biliteracy Administrative Rules require all four domains of a language to be evaluated, it should be noted that only the languages listed on the LPT assessment (above) are available from ACTFL in all four domains. Students may still use the RPT, WPT, or OPI (below) for a language that does not have a four-domain assessment but would need to complete a language portfolio to show proficiency in the remaining domains. As such, these students would earn the seal through the alternative evidence method.</p>

A REMINDER THAT ONLY SCORES OBTAINED DURING A STUDENT'S 9-12 HIGH SCHOOL YEARS MAY BE USED AS EVIDENCE OF PROFICIENCY FOR THE ILLINOIS STATE SEAL OF BILITERACY.

* These assessments are being grandfathered in though they do not meet one of the requirements that are part of a new formal procedure for approving Seal of Biliteracy assessments that was adopted in January 2021 – using either the ACTFL or Common European Framework of Reference for Languages (CEFR) scales for scoring. However, ISBE is continuing to allow the usage of these assessments to qualify for the Seal of Biliteracy. All assessments approved after January 2021 must meet the new requirements, which can be found [here](#).

** These exams could be used for the Portfolio Method as they include languages for which there is no standardized test or ISBE has not yet approved of a standardized test for that language. As a reminder, if a standardized test exists for your target language, then you may not use the Portfolio Method.

*** Students must request that their ALTA exams are scored with the ILR or ACTFL scale to qualify for an award. If a student receives their ALTA results with the CEFR scale, they must request the scores be converted to the ILR or ACTFL scale before it is considered viable.
